KILIG

The excitement of exploring.

Camper life has never made your heart beat faster.

Life en plein air is truly inspiring with Kilig. With its new lighter and more resistant body, Kilig carries you away agilely and effortlessly. Let yourself be seduced by its smart solutions, also at the wheel: SYNC 4 with 12" touch screen, rear view camera and connected navigation, smartphone integration and voice control.

Be prepared to fall in love with its completely renovated design: modern, elegant interiors with new details, fabrics and components. And the night-time wellness will be irresistible: slatted bases on rear beds (where available) and hypo-allergenic mattresses with removable covers. Inside, every detail is designed for your comfort: a 3-burner hob with electric ignition, soft-close drawers, LED guide light ambient lighting and smart solutions such as the incorporated removable bin.
