RIMOR VAN

Compact. Easy-going. Smart.

The Ford van the market needed.

Compact on the outside, surprisingly spacious on the inside. Rimor Van 238 is the van designed for people who want to move around freely, with the safety of a Ford chassis and the comfort of a main driver's cabin designed to accommodate you in every season.

With its 4 belted seats, 3 berths (of which one assemblable) and rear transverse bed with panoramic tailgate, it is the ideal solution for your adventures on the road, long weekends or to enjoy the city while maintaining an outdoor spirit. And on board, everything is under control: with the reliable Ford engine and automatic gearbox as standard, every journey is smooth, quiet and relaxing. For a Rimor-branded enjoyable driving experience.

CONFIGURATION

Every convenience with the rear transverse bed that transforms into a storage area, and a tailgate always ready to open onto different views every day. Rimor van has well-organised spaces to optimise liveability in the vehicle and a third assemblable bed for outstanding versatility.

SLEEPING AREA

- Rear transverse double bed
- Third assemblable berth
