SARUS

Let your desire for adventure soar.

Lightweight, versatile and accessible. With 13 models to discover.

Spread your wings of freedom and enjoy camper life anywhere with Sarus. Whether you are a novice or an expert in life en plein air, you will find the solution that best meets your needs among the 13 low-profile and overcab models, including 9 under 7 metres. Move agilely thanks to its redesigned body - now even more robust and lightweight - and drive carefree thanks to the “Captain Chair” seats, cruise control and Traction Plus system with hill start assist.

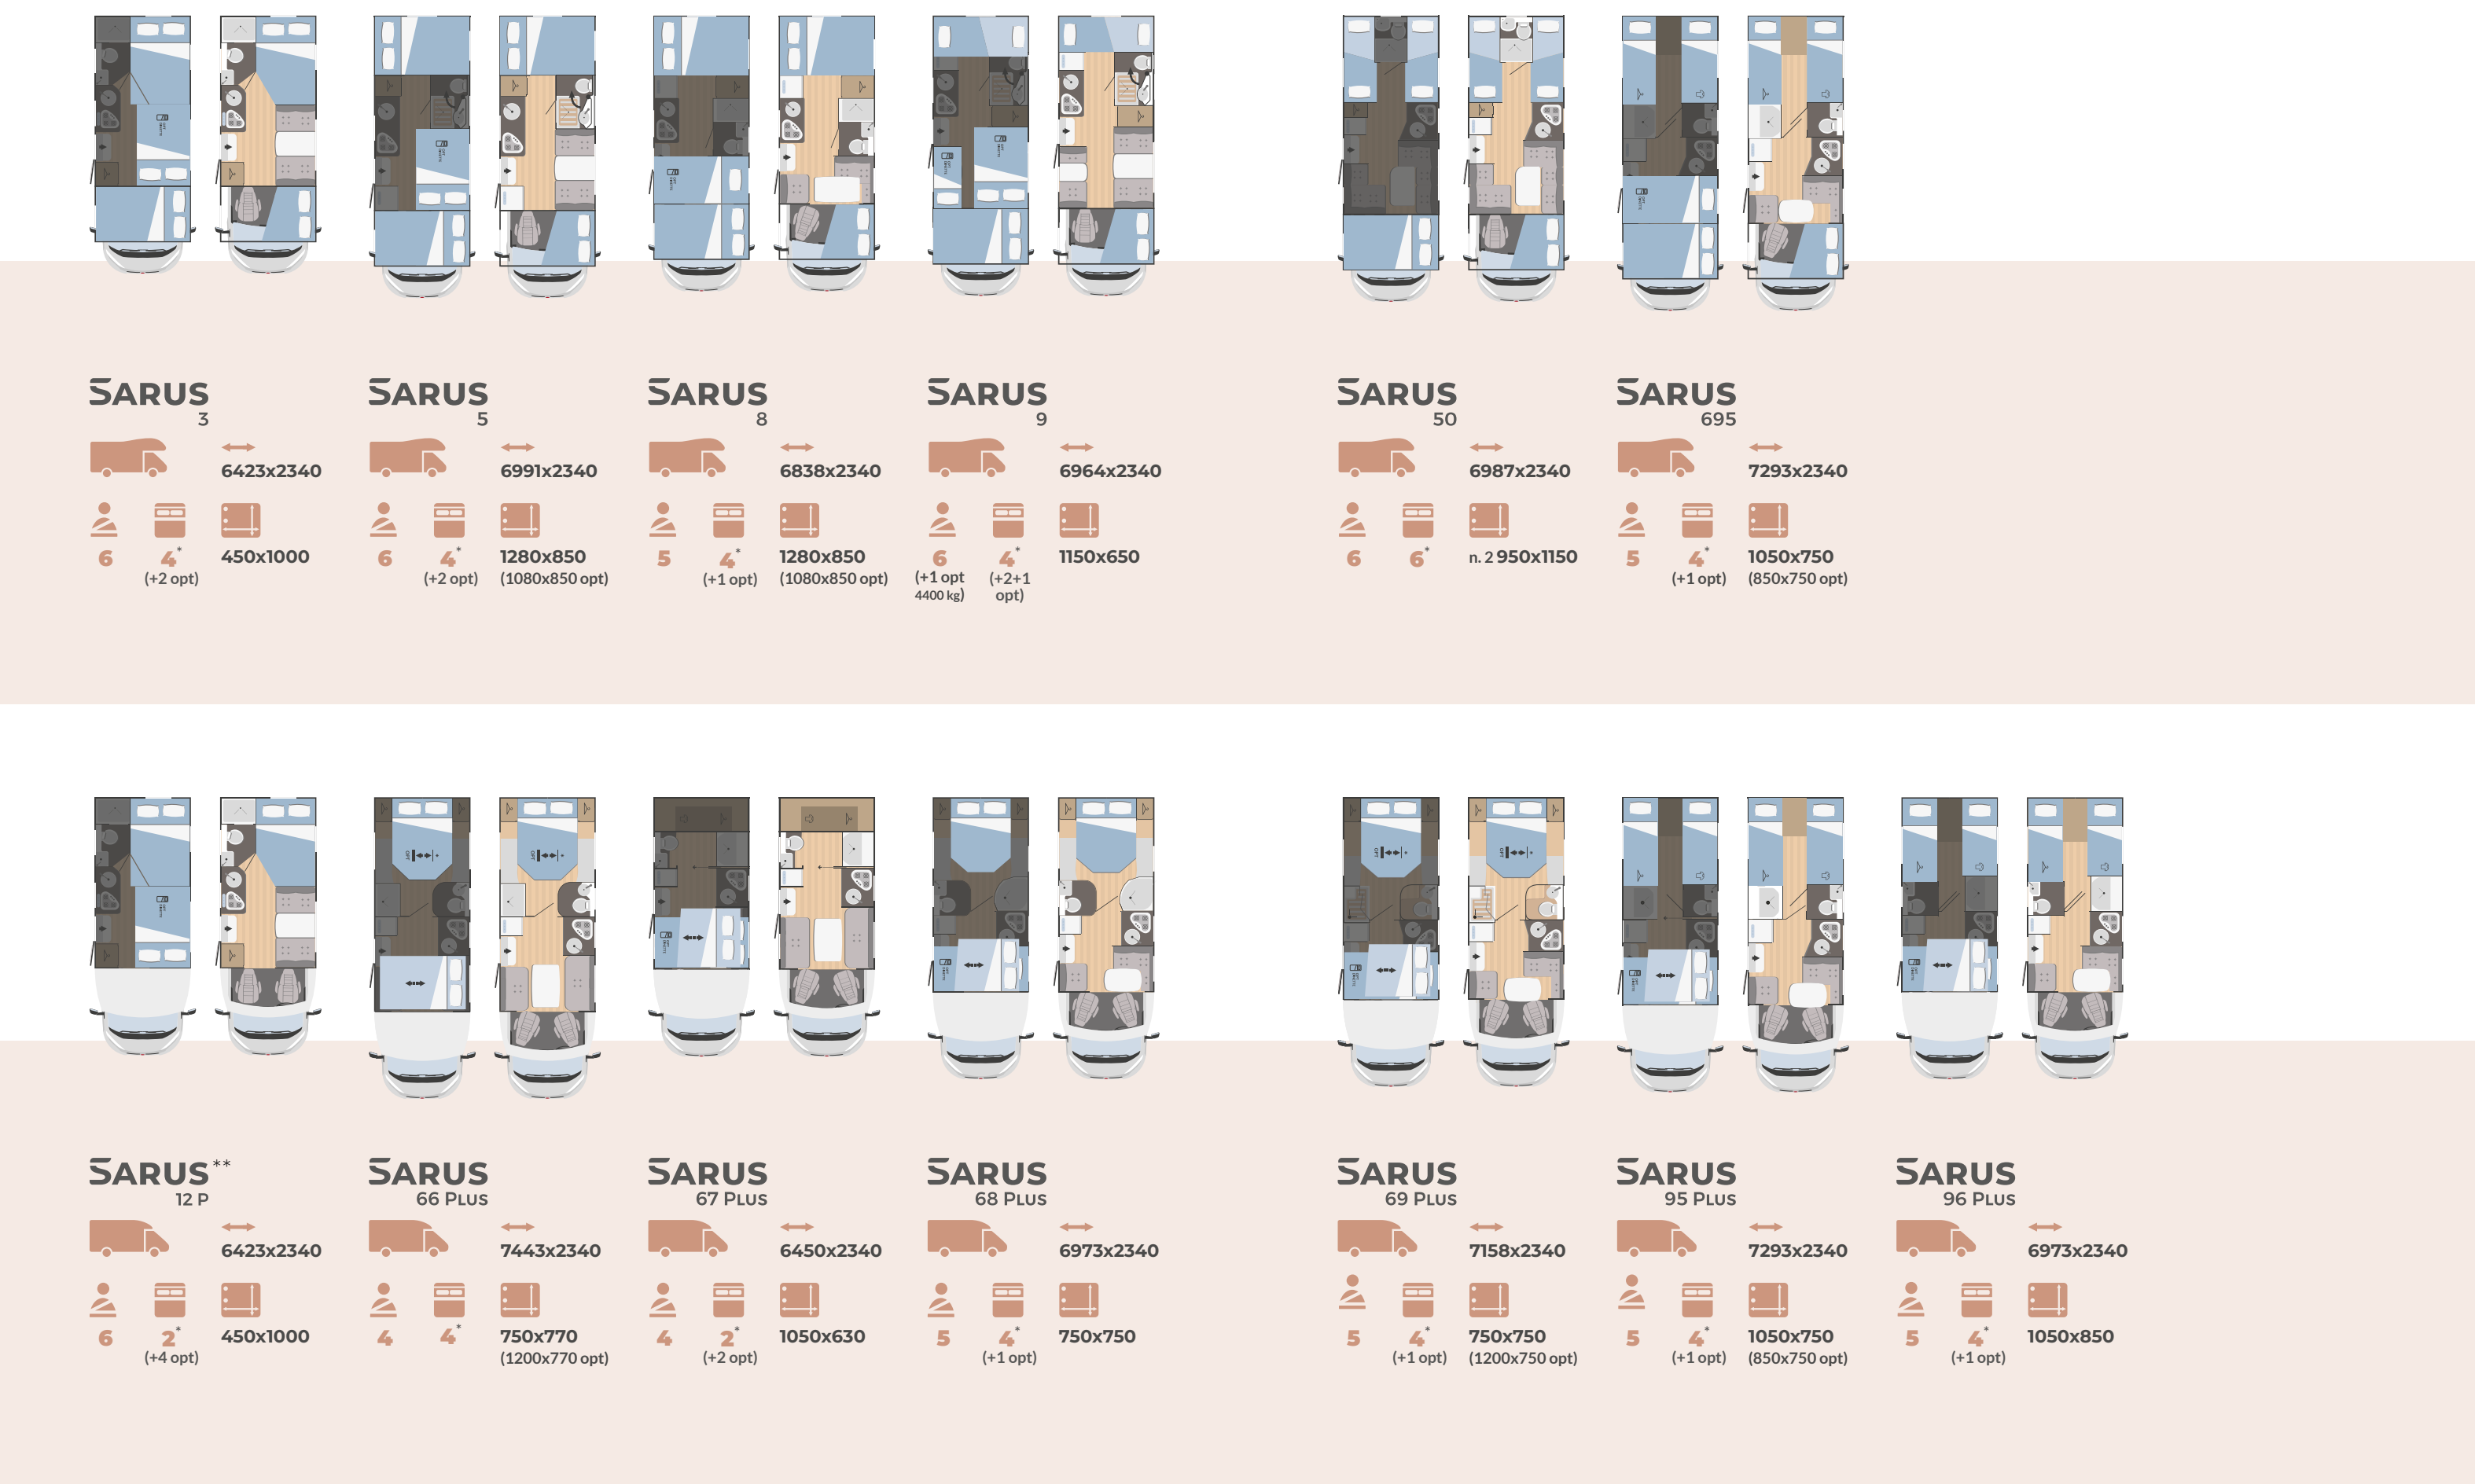

The simple interior elegance of Sarus is designed to last: the kitchen has hard-wearing worktops and soft-close drawers, to make you feel at home. Just like the mattresses with removable covers and the standard front and side driver’s cabin blinds for the best night-time comfort. And there’s more. Be amazed by the smart details: MEB-300 Smart Energy System as standard, soft-close door, safer and more resistant garage pull handles, removable kitchen bin and LED guide light.

CONFIGURATIONS

13 overcab and low-profile models, 9 under 7 metres. From Sarus 50 with bunk beds to Sarus 96 Plus with twin beds and a 141-litre fridge as standard: find the perfect size for you.
