# SUPER BRIG & SAILER

## Travel with the wind in your sails.

Luxury and a nautical feeling in the low profile and overcab version.

Cruise the streets in style, just like on a classy boat. Super Brig and Sailer, in the overcab and low-profile configurations respectively, are back in their best-ever versions, with a new, contemporary interior design. There is lots of technology on board, starting with the new MEB-300 Smart Energy System with remote control from a smartphone app, as well as a new, redesigned, more resistant and lighter body, a new ceiling with Vetroskin cladding and new electrically controlled drop-down beds.

Don't compromise, there are many configurations available. Super Brig 677 TC makes a historic comeback with up to 6 comfortable berths. The Suite model invites you to enjoy every moment with its double dinette and spacious kitchen with combi-oven with grill and hob. Meanwhile, Sailer 56 Plus greets you with top-of-the-range comfort, including an inverter and coffee machine as standard. Lots of models to explore, to travel in style.

### CONFIGURATIONS
